Reminders

- Your child must wear (or bring) tennis shoes on PE days or they may not participate. AM class is Mon. & Wed. PM class is Mon. & Fri.
- Send extra clothes in a gallon size Ziploc bag in their backpack
- Send folder to school every day and check it every night!
- FIELD TRIP THURSDAY, OCT. 19TH TO RADER FARMS.**

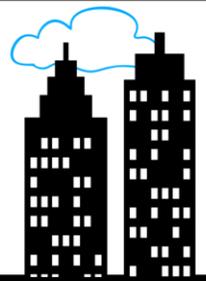

What We Did

We have been talking about everything Fall lately. This week we introduced Fall and that Autumn is another name for Fall. We did some leaf rubbings with Fall leaves, counted Fall pictures and found the correct numeral to match and put a clothes pin on it (great work to strengthen little fingers to get ready for writing). We also learned how to use a balance scale in our science center!

What We Will Do...

Next week we will continue to talk about Fall. We will sort apple and leaves, sort fall pictures by color, and patterning with leaves (real and pictures). We may even try to throw in a science experiment about why leaves change colors! **FIELD TRIP ON THURSDAY, THE 19TH.**
